Welcome To Greater Hartford!

Together with our area partners, the Greater Hartford Sports Commission is pleased to host the **30th Annual New England Yankee Conference Hockey Festival** in our region. We want to thank you the Festival's executive team

for choosing our region to host this year's program. You have discovered one of our nation's best hockey destinations.

The festival will be held at the following three elite rinks. Several host hotels have been selected and assigned to house all rooms associated with this event. All coaches and players must book reservations online or by phone (reference tournament when calling) directly with the host hotel. **Teams must stay in the assigned host hotel**; an audit will be completed to ensure compliance of this policy. **Double-bedded rooms range in price of \$99-109.** Failure to stay within your assigned host hotel may result in disqualification from the festival.

After you have qualified to compete in the festival, **click the appropriate link to the left to make your hotel reservations** at the assigned hotel. You may email LindsayC@hartfordcvb.org for assistance in coordinating team meals, chartering group transportation or for questions about the housing policy.
