

Goals for the Sessions

These sessions will give Travel Mite as well as Squirt players from Central Vermont an opportunity to keep skating throughout the Spring/Summer and to have fun playing hockey with players from neighboring programs.

Each session (separate for each age group) will offer ten minutes of warm-up/skill development, then we'll choose up sides and drop the puck!

Players should bring both dark and white jerseys, as we'll strive to make balanced teams each week.

We will accept 3 goalies for each Squirt Session and 4 goalies for each Mite Session. Mite goalies should be willing to skate out as well as play net!

All Sessions are located at
the Ice Center in
Waterbury.

Mite + Squirt Level Pick Up Hockey

Now in its 2nd Year!

These separate sessions for travel mites and squirts are designed for fun and continued skill development while enjoying other Spring-Summer Sports and Activities. The non-competitive format brings players from the Central Vermont Region together to enjoy the game on the same teams.

We will use one parent/coach per bench as well as an adult on the ice at all times. Scrimmage shifts will be 90 seconds, managed with a whistle and a full squad line change.

Area coaches are encouraged to participate!
